The Dragon's Eye Zine

By Mathieu O'Brien

Hey!

My name is Mathieu, I'm an artist and designer. I'd like to thank you for checking out my art and reading this zine!

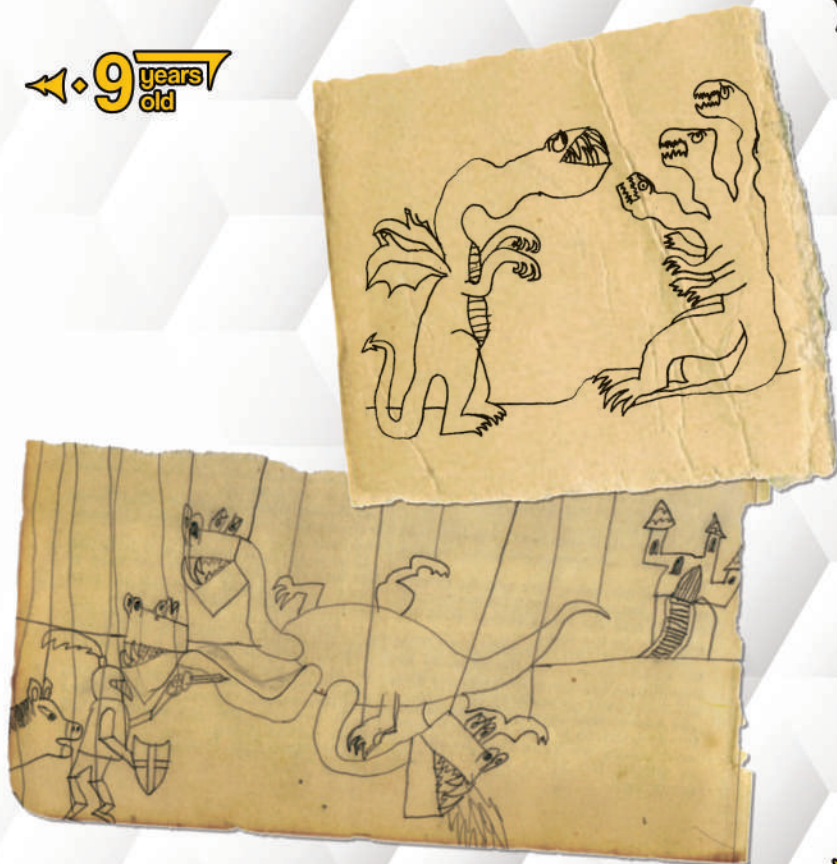

This zine is volume 1 of a series I've called "Inspiring Childhood". Each zine in this series will compile various pieces of art that I have created since I was about 9 years old.

This zine is focused on dragons!

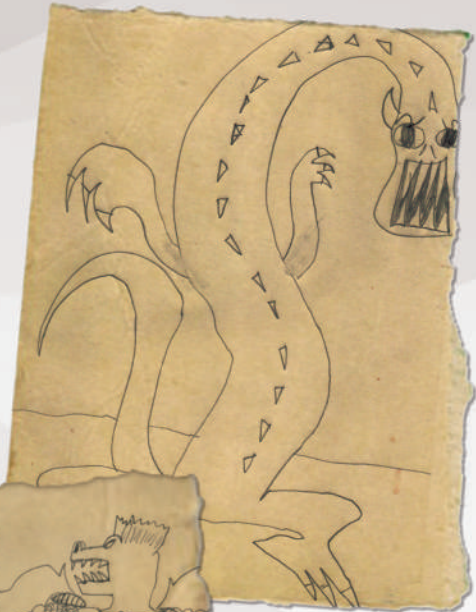

I wanted to show my art progress through the years in the hopes that it inspires aspiring artists to keep creating.

There may be times that you feel like you're not improving, but it's in those times that I encourage you to look back at your past works; you'll see just how far you've come.
